DETAILED ACTION

1. This application is in condition for allowance except for the following formal matters:

Drawings

2. The drawings are objected to as failing to comply with 37 CFR 1.84(p)(5) because they do not include the following reference sign(s) mentioned in the description: "10" on line 27 of page 11, "H" on line 17 of page 12. Corrected drawing sheets in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. Any amended replacement drawing sheet should include all of the figures appearing on the immediate prior version of the sheet, even if only one figure is being amended. Each drawing sheet submitted after the filing date of an application must be labeled in the top margin as either "Replacement Sheet" or "New Sheet" pursuant to 37 CFR 1.121(d). If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

Allowable Subject Matter

3. Claims 1-20 would be allowable if rewritten or amended to overcome the objection(s) set forth in the instant Office action.

Art Unit: 2876

4. The following is an examiner's statement of reasons for allowance:

The record of prior art fails to teach or fairly suggest the first and second reinforcing plates attached to the casing along the sub-scanning direction for reinforcing the casing, the first reinforcing plate having a guide unit for supporting the scanning unit at the other side thereof in the main scanning direction and for guiding the scanning unit in the sub-scanning direction, the driving source and the drive transmitting unit being fixed to the second reinforcing plate.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
